A SMARTER WAY TO SOURCE YOUR PACKAGING

More than a supplier — we manage your packaging supply chain, specialising in food packaging backed by decades of production experience.

Two established production bases in Shandong, East China, run large-scale facilities and advanced automated lines — delivering a wide range of solutions for foodservice and retail with **stable quality, efficient output and reliable delivery** on every order.

PRODUCTION BASE — SHANDONG, EAST CHINA

AERIAL VIEW

RELIABLE SUPPLY, TRUSTED PERFORMANCE

Two established production bases in Shandong, East China, run modern automated lines and experienced teams — delivering dependable supply and trusted performance, order after order.

01

Strong production capability

Modern equipment and efficient manufacturing processes.

02

Consistent quality output

Stable production ensures reliable standards on every run.

03

Efficient operations

Streamlined production and coordination for timely delivery.

04

Scalable supply

Supports both high-volume and flexible requirements.

05

Innovative & sustainable

Advanced materials and environmentally responsible options.

BRANDS SERVED BY OUR NETWORK

Our lines produce for leading global foodservice and retail brands — the standard we hold for every order, at any volume.

30+
MARKETS WORLDWIDE

THREE STAGES, ONE STANDARD

Built on control and consistency — structured processes, controlled production and clear specifications that minimise risk and ensure reliable outcomes across every order.

01 Raw material control

Selection and verification of materials to required specifications, checked at intake before any line is started.

02 In-process monitoring

Ongoing checks during production to maintain consistency, with shift records kept on every run.

03 Final inspection

Pre-shipment inspection to agreed standards before any container leaves the gate.

Cleaning & Hygiene Consumables

PAPER CONSUMABLES

Hand Towels

Interfolded and roll hand towels for high-traffic washrooms and kitchens. Soft yet strong, they dispense one at a time to control usage and keep stations tidy. Supplied in virgin and recycled fibre to suit any hygiene programme.

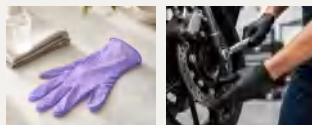

Napkins

Dispenser, cocktail and dinner napkins for foodservice, cafés and events. Soft, absorbent tissue in one- to three-ply constructions that fold and stack cleanly. Available plain or embossed, with custom sizes and print on request.

Cleaning & Hygiene Consumables

FOOD SERVICE ESSENTIALS

Gloves

Disposable Nitrile Gloves

Strong, latex-free and highly puncture- and chemical-resistant. Trusted for food processing, healthcare, general industrial use and janitorial work.

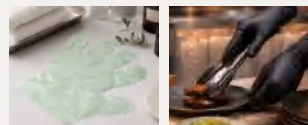

Disposable Vinyl Gloves

Latex-free, powder-free and compliant with food handling. Comfortable for food processing, healthcare, hospitality and cleaning.

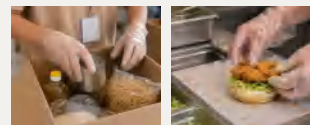

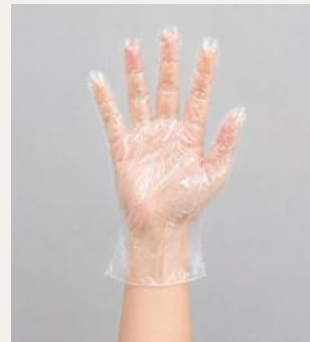

Disposable Latex Gloves

High elasticity and tactile sensitivity for precise, dexterous work. Well suited to healthcare, food processing, general industrial and janitorial tasks.

Disposable TPE Gloves

Lightweight, food-safe and eco-friendly. Ideal for food processing, hospitality and general handling.

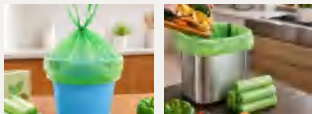

Disposable LDPE / HDPE Gloves

Non-slip textured, loose-fitting poly gloves for quick single-use tasks. Fast and hygienic for food processing, hospitality and general housekeeping.

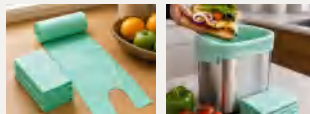

Cleaning & Hygiene Consumables

WASTE MANAGEMENT

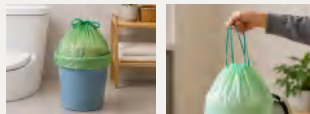

Bin Liners with Handles

Tie-handle liners for quick, clean and hygienic sealing and disposal. Certified compostable and plant-based — a sustainable alternative to plastic.

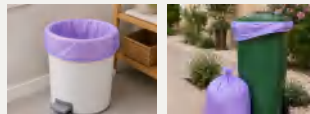

C-fold Bin Liners

C-folded for easy dispensing and lining of larger bins. Home and industrial compostable, made from plant-based materials.

Drawstring Bags

Drawstring closure for secure carrying and tidy disposal. Compostable and biodegradable, a responsible alternative to conventional plastic.

Domestic Bin Liners

Everyday household liners for kitchen and general waste. Food contact safe, plant-based and fully compostable.

Dog Poop Bags

Convenient, leak-resistant bags for pet waste on the go. Compostable and plant-based, with custom printing available.
